

DC BULLY BUSTERS

#BULLYFREE2018

We, DC Bully Busters, are kids and teens who have learned how to recognize and stand up to bullying behavior. We believe that bullying tactics are not a fair way to convince people to side with you. We ask you, a candidate running to be our House or Senate representative, to please sign this pledge. By doing so, you are making a safer political climate for everyone and being a good role model for young people across the country. Kids shouldn't bully and neither should our politicians! Thank you for signing the pledge below.

THE PLEDGE:

As a candidate running for Congress, I will not engage in bullying or be a bystander to bullying tactics during the campaign or once I'm elected to office.

Signed,

Vanessa Anoch
